confidence

2 in 1 Chamber
+ Protective Case

Compact & Portable

Delivers inhaler medication better
than the inhaler alone^{1,2}

If you can **taste** your inhaler
medication, it's likely not getting
where it needs to go.

More medication is
delivered to the lungs^{1,2}

Aero2go[™]
Chamber

Better2gether

Inhaler alone

Inhaler with
AeroChamber2go[™] Chamber

Designed for use *on-the-go*

2 in 1 Chamber + Protective Case

Your inhaler can be stored inside the chamber.

- Remove the cap from the inhaler when storing it inside the chamber
- Designed to fit most commonly prescribed inhalers
- Note: Does not fit round inhalers such as Airomirt, Qvar or Alvescot

Easy to clean + all one piece

The chamber can be used directly out of the package and should be cleaned weekly.
