Canadian Association of MAiD Assessors and Providers
National Conference in Halifax, Nova Scotia
May 4- 6, 2023

Message from the Executive Director

The Canadian Association of MAiD Assessors and Providers (CAMAP) is a national not-for-profit association whose mission is to support MAiD assessors and providers in their work, educate both the public and the health care community about MAiD, and provide leadership on determining medical standards and guidelines. We have membership in every province and territory, a national community of practice online forum that connects our growing community on a regular basis and have been involved in the evolution of MAiD across the country since Canadian laws changed. This includes the publishing of several clinical guidelines and medication protocols which most provinces have adopted or referenced.

We expect our annual conference will once again draw a large, multidisciplinary group of attendees including family physicians, medical specialists, nurses, pharmacists, social workers, legal counsel, administrators, and policy makers. Our inaugural conference in Vancouver, BC in 2017 drew over 150 attendees. Our conference has grown to over 270 registrants and included several of our national partners on our podium (the Canadian Medical Protective Association, Canadian Medical Association, and Health Canada). We expect to attract a large, diverse audience for MAiD2023 and are eager to reap the benefits of in-room, face to face discussions with all members of our growing community.

We are eager to work with you, as a sponsor, to connect you with our audience while supporting CAMAP's mission.

Scholarship Fund (Unlimited) - Decide Your Donation Amount

At each annual conference, CAMAP provides financial assistance to those new to MAiD to make it possible to become part of this important learning environment.

This assistance would include travel, hotel, and conference registration. Scholarship recipients are chosen by a committee.

Your charitable donation will be placed in a scholarship fund, and you will receive a charitable receipt for your gift. Anyone donating to the scholarship fund will be mentioned on CAMAP's website.

How Many Will Join Us?

Since our first conference in 2017 in British Columbia to our annual conference in 2019, we saw attendance grow by more than 80%. The global pandemic impacted our ability to host in-person conferences. However, we are thrilled to play host to an anticipated crowd of more than 200 people both in-person and virtually across the country.

Who Do We Attract to Annual Conferences?

Each year, the conference attracts a large, multidisciplinary group of attendees including:

- family physicians
- medical specialists
- nurses
- pharmacists
- social workers
- legal counsel
- administrators
- policy makers
