

Worsening Heart Failure: Individualizing Therapies in People with HFrEF

CHAIRS

Shelley Zieroth,
MD, FRCPC, FCCS, FHFA, FESC,
FACC, FHFA
CO-CHAIR
Professor of Medicine,
University of Manitoba;
Winnipeg, MB

Subodh Verma,
MD, PhD, FRCSC, FAHA
CO-CHAIR
Professor of Surgery, and Pharmacology
& Toxicology, Canada Research Chair in
Cardiovascular Surgery,
University of Toronto, Toronto, ON

Tuesday, June 6, 2023

jeudi le 8 juin 2023

ENGLISH (EAST):
7:00 pm - 9:00 pm EDT

ENGLISH (CENTRAL/WEST):
6:30 pm - 8:30 pm PDT

FRANÇAIS:
19 h à 21 h HAE

FACULTY

Javed Butler,
MD, MPH, MBA, FACC, FAHA,
FESC
President,
Baylor Scott and White
Research Institute,
Dallas, TX, USA

Justin A Ezekowitz,
MD, MBBCh, MSc, FRCPC,
FACC, FAHA, FESC
Professor of Medicine,
University of Alberta,
Edmonton, AB

Ileana L Piña,
MD, MPH, FACC, FAHA, FHFA
Professor of Medicine,
Thomas Jefferson University,
Philadelphia, PA, USA

AGENDA

Welcome and Introduction	5 min.	
Two Cases of Worsening Heart Failure	10 min.	Dr. Shelley Zieroth
Defining Worsening Heart Failure	15 min.	Dr. Ileana Piña
Highlights from the VICTORIA Trial	25 min.	Dr. Justin Ezekowitz
International Guidelines on Worsening Heart Failure	15 min.	Dr. Javed Butler
Case-based discussion	15 min.	Dr. Subodh Verma
Q & A	25 min.	
Closing remarks	5 min.	

LEARNING OBJECTIVES

1. To define the patient profiles associated with worsening heart failure
2. To describe the therapies for worsening heart failure
3. To apply recent trial results on worsening heart failure into the daily clinical practice
