**AIC National Meeting/Conference
November 7-8, 2023
Chateau Cartier
Canada's Capital Region**

The Agri-Food Innovation Council Fall Conference is an occasion for leaders in research and innovation in the agri-food sectors and related stakeholders to gather and share information on the latest programs and innovation. This year's theme is **Agri-Food: Bringing research and innovation to reality – knowledge dissemination and adoption.**

Presentations will focus on:

- Knowledge dissemination (best practices, extension services, etc.)
- Upscaling new technologies (such as going from new technology to mass distribution)
- Financial mechanisms to support adoption (funding programs, financial tools, etc.)
