

Hands-On Workshops: Space is limited! Reserve your spot.				
	Canon	CCE Medical	Christie Innomed	Philips
Friday, Sept. 29 1:15-2:15 pm 2:45-3:45 pm	Wrist: Median Nerve & Carpal Tunnel	MSK Lab: The Elbow	Carotid Ultrasound Session 1	Liver Elastography Session 1
	Wrist: Median Nerve & Carpal Tunnel			
Saturday, Sept. 30 9:20-10:20 am 10:30-11:30 am	Bowel US: Follow your gut instincts	MSK Lab: The Knee	Carotid Ultrasound Session 2	Liver Elastography Session 2
	Wrist: Ulnar Nerve & Cubital Tunnel			
1:30-2:30 pm 2:40-3:40 pm	Wrist: Ulnar Nerve & Cubital Tunnel	MSK Lab: The Ankle	Carotid Ultrasound Session 3	Liver Elastography Session 3
	Bowel US: Where small bowel meets large			
4:00 – 5:00 pm	The Future of Liver Scanning	MSK Open Forum	Workshop Wrap Up	Workshop Wrap Up

SonoCon 2023 Program and Event Schedule			
Friday, September 29			
	Welcome! Registration opens at 11:00 am		
1:00-1:15 pm	Opening Remarks – Plenary Room		
1:15-3:45 pm	Hands-On Workshops – See Details Above		
Concurrent Sessions	Room 106	Room 107	Room 108
1:15-2:15 pm	Mental Health Survey Results	Diffuse Liver Disease & Doppler	Fetal Heart Screening
	30-minute break		
2:45-3:45 pm	The Health Profession Educator: An Agent of Change	Paraneoplastic Cerebellar Degeneration	Bowel: The Basics & Beyond
4:00-6:00 pm	Exhibitor Reception – Exhibit Hall		
6:00-7:30 pm	Awards Ceremony – Plenary Room		
Saturday, September 30			
8:00-9:00 am	Breakfast – Exhibit Hall		
9:00-9:15 am	Opening Remarks/Land Acknowledgement – Plenary Room		
9:20 am-5:00 pm	Hands-On Workshops – See Details Above		
Concurrent Sessions	Room 106	Room 107	Room 108
9:20-10:20 am	Normal Pediatric Cardiac Exam Protocol	Workplace Conflict	Expanded First Trimester Imaging
	10-minute transition		
10:30-11:30 am	It's Trick! Pediatric Bowel Pathologies	Ergonomics: Reducing RSI	Fundamentals of Breast Imaging

Saturday, September 30				
11:30-12:30	Keynote – Dr. Dave Williams – AI and Process Re-engineering and Decision Making			
12:30-1:30	Lunch – Exhibit Hall			
Concurrent Sessions	Room 106	Room 107	Room 108	
1:30-2:30 pm	Hypertrophic Cardiomyopathy Guidelines	PoCUS: Distance Ed for Pocket Ultrasound Devices	Venous Compliance: Advanced Vein Scanning	
	10-minute transition			
2:40-3:40 pm	In the Trenches: The Technically Difficult Study	Go With the Flow: What you may not know about Vascular US	Understanding Contributors to Canada's Sonography Workforce Shortage	
	Break			
Hands-On Workshops	Rm 109	Room 101	Room 102	Room 103
4:00-5:00 pm	Canon: The Future of Liver Ultrasound	CCE Medical: MSK Open Forum	Christie Innomed: Carotid Wrap-up	Philips: Intro to Shear Wave Liver Elastography
Sunday, October 1				
8:30-9:00 am	Breakfast – Exhibit Hall			
Concurrent Sessions	Room 106	Room 107	Room 108	
9:00-10:00 am	Panel Discussion: Challenges in Vascular Ultrasound	Clinical Relevance of Spina Bifida Occulta	High Resolution Imaging for Peripheral Nerves	
	10-minute transition			
10:15-11:15 am	Ultrasonography in Assessing Abdominal Lymphedema		Ultrasound Evaluation of the Adult Hip	
	Break			
11:30 am – 12:30 pm	Closing Keynote – AI Technology and Workflow in Ultrasound			
	Closing Remarks
