

ABSTRACT SUBMISSION GUIDELINES

We are pleased to announce that we will once again be holding a Call for Abstracts for our upcoming 2023 16th Annual Brain Injury Conference, taking place at the Marriott Downtown at CF Toronto Eaton Centre on February 9, 2024. An invitation for abstracts is extended to all researchers, physicians, clinicians, nurses and administrators who practice in the Traumatic Brain Injury environment.

The abstracts will be displayed as poster presentations for the full day at the event. There will be specific poster viewing times incorporated into the program.

We invite participants to share their scholarly work in Acquired Brain Injury (ABI) for a poster presentation; one can submit under the following themes:

- Mild TBI / Concussions
- Mild – Moderate Brain Injury
- Moderate – Severe Brain Injury

The abstracts should demonstrate the use of best practice research in the development of practices that improve patient quality of life and clinical outcomes that pertain to Acquired Brain Injury.

Submission Process

Abstracts must be submitted using the Abstract Submission Form linked [here](#) to conferences@uhn.ca. Carefully review the detailed abstract submission guidelines below because all information fields are mandatory. Abstracts submitted in any other format will NOT be accepted.

Important Conference Dates

September 8, 2023	Call for abstracts opens
November 23, 2023	Call for abstracts closes
December 8, 2023	Notification of abstract acceptance
January 5, 2024	Deadline for conference early bird registration rate

Registration

Submitting an abstract does NOT register you to attend the conference. In order to present and/or attend the conference, poster presenters must register by completing the online registration form. Registration will open in early November and will be accessible from the conference website:
