

Mitigating Potential Bias

Program learning objectives and content were independently developed by the planning committee which included:

Dr. Kimberly Williams, Dr. Ramneek Dosanjh, Dr. Shelley Zieroth,
Dr. Mamta Gautam, Dr. Shelley Ross, Dr. Dalia Karol,
Dr. Judy Patterson, Dr. Beverly Johnson, Ms. Aditi Sivakumar

- All the recommendations involving clinical medicine are based on evidence that is accepted within the profession
- All scientific research referred to, reported, or used in the CPD activity are in support or justification of patient care
- Recommendations conform to the generally accepted standards
- Only data that is needed to support evidence or key concepts are shown. Anything not referenced the speaker will say "in my opinion".

Faculty/Presenter Disclosure
