Cleveland Clinic
Florida, USA

15:05 - 15:15 **Question & Answer Period - Panel Format**

All Faculty from Segment II(b)

15:15 - 15:30

Break & Sponsor Booths Open

TECHNICAL CONSIDERATIONS – *Colorectal Cancer Surgery*

Moderator: Dr. Fayez Quereshy, University Health Network, Toronto, Canada

- 15:30 - 15:45 **D3 Lymphadenectomy in Colon Cancer**
Where Does the Evidence Stand?
Dr. Julio Garcia-Aguilar
Memorial Sloan Kettering
New York, USA
- 15:45 - 16:00 **My Approach to a Laparoscopic D3 Lymphadenectomy for Right Sided Colon Cancer**
Indications, Technique & Pitfalls
Dr. Tsuyoshi Konishi
MD Anderson Cancer Center
Texas, USA
- 16:00 - 16:15 **My Approach to a Robotic D3 Lymphadenectomy for Right Sided Colon Cancer**
Indications, Technique & Pitfalls
Dr. Sergio Araujo
Hospital Israelita Albert Einstein
São Paulo, Brazil
- 16:15 - 16:30 **Technical Considerations in the Treatment of Transverse Colon Cancers**
Dr. Marylise Boutros
Cleveland Clinic
Florida, USA
- 16:30 – 16:45 **Question & Answer Period – Panel Format**
All Faculty from Technical Considerations Session

16:45 - 17:00

Break & Sponsor Booths Open

TECHNICAL SESSION – *Rectal Cancer Surgery*

Moderators: Dr. Shady Ashamalla, Sunnybrook Health Sciences Centre, Toronto Canada
Dr. Sami Chadi, University Health Network, Toronto Canada

- 17:00 - 17:15 **Optimizing your Robotic TME**
The Brazilian Approach
Dr. Sergio Araujo
Hospital Israelita Albert Einstein
São Paulo, Brazil
- 17:15 - 17:30 **Robotic TME Surgery in the Obese Patient**
The MDACC Approach
Dr. George Chang
MD Anderson Cancer Center
Texas, USA
- 17:30 - 17:45 **Anastomotic Salvage Technique in Rectal Cancer Surgery**
Dr. Patricia Sylla
Mount Sinai Health System
New York, USA
- 17:45 - 18:00 **Standardizing Your Approach to a Lateral Node Dissection & Where Can Things Go Wrong?**
Dr. Tsuyoshi Konishi

University Health Network
Toronto, Ontario Canada

DEBATES & DISCUSSION - COLORECTAL ONCOLOGY

Moderator: Dr. Ahmer Karimuddin, St. Paul's Hospital, Vancouver, Canada

07:45 - 08:00 **Oncologic & Technical Considerations with Stage IV
Liver Disease**

Sequencing & Synchrony

Dr. Nina Sanford
UT Southwestern Medical Center
Texas, USA

08:00 - 08:15 **Unresectable Metastatic Disease**

HAI & Other Options as a Bridge to Resectability

Dr. Paul Karanicolas
Sunnybrook Health Sciences Centre
Toronto, Ontario Canada

08:15 - 08:30 **Unresectable Metastatic Disease**

Considerations & Outcomes in Transplant Oncology

Dr. Gonzalo Sapisochin
University Health Network
Toronto, Ontario Canada

08:30 - 08:45 **Novel Therapies for Peritoneal Carcinomatosis**

HIPEC, PIPEC & Beyond

Dr. Faek Jamali
Cleveland Clinic
Abu Dhabi, UAE

08:45 - 09:00 **Question & Answer Period - Panel Format**

All Faculty from morning session

- 09:00 - 09:15 **Strategies and Treatment Considerations with Systemic Therapy when Managing the Stage IV Colorectal Patient**
Dr. Jenny Seligmann
University of Leeds
Leeds, United Kingdom
- 09:15 - 09:30 **Obstructing Colon Cancer
*To Stent or To Resect or Divert***
Dr. Patricia Sylla
Mount Sinai Health System
New York, USA
- 09:30 - 09:45 **Minimally Invasive Exenterative & Multivisceral Pelvic Resections**
Dr. Sami Chadi
University Health Network
Toronto, Ontario Canada
- 09:45 – 10:00 **Minimally Invasive Strategies in the Treatment of Recurrent Rectal Cancer**
Dr. Tsuyoshi Konishi
MD Anderson Cancer Center
Texas, USA
- 10:00 – 10:15 **Question & Answer Period - Panel Format**
All Faculty from second morning session
- 10:15 – 11:30 **Multidisciplinary Panel: Case Discussion 1
*Challenging Cases of Metastatic Disease***
Moderators: Drs. Sean P. Cleary & Karineh Kazazian
University Health Network, Toronto, Canada
Panelists: Drs. Julio Garcia-Aguilar, Paul Karanicolas, Gonzalo Sapisochin, Jenny Seligmann & Patricia Sylla

11:30 – 11:45

Bio Break & Coffee Refresh

11:45 – 13:00

Multidisciplinary Panel: Case Discussion 2

Challenging Cases of Locally Advanced Colorectal Cancer

Moderators: Dr. Fayez Quereshy

University Health Network, Toronto, Canada

Dr. Patrick Colquhoun

Western University, London, Canada

Panelists: Drs. Marylise Boutros, Carl Brown, George Chang,

Tsuyoshi Konishi, Nina Sanford & Jenny Seligmann

13:00 – 13:05

Closing Remarks & Conclusion of Symposium

13:05 – 14:00

Lunch & Departure
