About Infoway and Partnership Conference

We're an independent, not-for-profit organization funded by the federal government and accountable to our Board of Directors and Members of the Corporation. By leveraging digital technologies and innovations, we're working with governments, healthcare organizations, clinicians, and patients to advance Connected Care across the country. Learn more at www.infoway-inforoute.ca.

Attracting 350+ attendees, our annual Partnership Conference regularly showcases regional, provincial and territorial clinician and healthcare leaders, influencers and digital health experts. Infoway Partnership Conference attendees are passionate about improving the health of Canadians through digital health. They include patients, their family members and caregivers, clinicians, researchers, government officials, and representatives from private sector and non-profit organizations.
