ACCESSIBILITY

The MaRS Centre supports the full inclusion of persons with disabilities as set out in the Canadian Charter of Rights and Freedoms, Ontario Human Rights Code, the 2001 Ontarians with Disabilities Act (ODA) and the 2005 Accessibility for Ontarians with Disabilities Act (AODA). MaRS will make reasonable efforts and use all means at its disposal to ensure that the information or service requested is provided in a manner that is consistent with the principles of independence, dignity and equality. Learn more about MaRS accessible customer service policies, practices and procedures in our [Guest Accessibility Package \(GAP\)](#).

SERVICE ANIMALS

Service animals, including guide dogs, are permitted on the premises. Documentation from a regulated health professional confirming the necessity of the service animal may be requested and must be presented upon request. It's important to note that emotional support animals do not qualify as service animals under the AODA. In cases where it is not obvious that an animal is a service animal, MaRS Centre staff may ask for documentation confirming the prescription for the service animal. The owner of the service animal is responsible for the animal's behaviour while on the premises. This includes attending to the animal's needs and cleaning up after it. If a service animal is causing a disturbance to other visitors, the visitor and their service animal may be asked to leave the area. Animal relief areas are accessible in the parkette located at 200 Elizabeth St (outside of the East doors of MaRS).
