Sponsorship and Exhibiting Opportunities

About the NFLP

Since its introduction in 1988, the National Family Law Program is Canada's largest and most prestigious family law conference. It attracts approximately 500 family law practitioners, members of the judiciary and representatives from government and academia from across Canada. The four-day bi-annual conference offers a breadth of educational content through a variety of presentation formats offered by leaders in the field.

The format of presentations includes keynote plenary lectures and up to four concurrent break-out streams. Covering topics ranging from spousal support to domestic violence to family trusts and beyond, registrants from across Canada can typically fulfill all their annual CLE requirements through attendance at the NFLP.

What does partnership with the NFLP look like?

The NFLP is working to evolve and adjust to meet the ever-changing needs of both our attendees and our valued partners. To allow for maximum flexibility, rather than establishing sponsorship 'tiers', we have prepared a 'menu' of sponsorship and exhibiting opportunities to allow each of our partners to find just the right fit and ensure accessibility – and are open to off-menu orders!

The National Family Law Program seeks to partner with sponsors and exhibitors valued by, and relevant to, our registrants. As a national program, we are also interested in vendors who meet the needs of family law practitioners from across Canada. We also reserve the right to decline partnerships with vendors and sponsors who do not uphold the values of the Federation of Law Societies of Canada, nor can we accept sponsorship from law firms or companies regulated by the FLSC's provincial members. We also do not guarantee exclusivity to any exhibitor.
