NATIONAL CONFERENCE ON LONG-TERM VENTILATION

Baxter

DID YOU KNOW?

Different airway clearance needs call for different approaches.

EXPERIENCE THEM LIVE.

Join Baxter Respiratory Therapists for hands-on demonstrations and see how our solutions can help support your patients.

Synclara™ Cough System

Mechanical Insufflation-Exsufflation (MIE) technology designed to support secretion clearance.

Volara™ System

Oscillation Lung Expansion (OLE) therapy combining CPEP, CHFO and aerosol delivery in a single, versatile device.

Every Breath Counts.

LIVE DEMONSTRATIONS AT THE BAXTER BOOTH
Friday, Nov. 20 | Saturday, Nov. 21

9:30 AM	Synclara Cough System
10:30 AM	Volara OLE Therapy
3:00 PM	Synclara + Volara

SEE IT. EXPERIENCE IT. ASK OUR RTs.

Baxter | We're committed to helping your patients breathe easy.

CA-FLC188-260011 v1. Nov/2026

NATIONAL CONFERENCE ON LONG-TERM VENTILATION

Baxter

INDUSTRY-SPONSORED SYMPOSIUM

Optimizing lung clearance using Oscillation Lung Expansion (OLE)

Liz Fisher, RTP

Respiratory Therapist and Program Lead,
Southern Alberta Chronic Ventilation Program
Peter Lougheed Centre, Calgary, Alberta

Join Liz Fisher, RTP, for an engaging session on the role of Oscillation Lung Expansion (OLE) in optimizing lung clearance for patients across the ventilation continuum.

Friday, November 20, 2026

11:50 AM – 12:50 PM

Kensington A

RESERVE YOUR SEAT

Scan the QR code to register for the Baxter symposium.

ARRIVE EARLY – SEATING IS LIMITED.

Baxter | We're committed to helping your patients breathe easy.
