

Photography/Video Consent and Waiver

PLEASE READ CAREFULLY

Event Description:

Location: Montreal, Quebec

Date: October 27-28, 2026

Consent to Use my Image

I consent to and authorize IMPaCT to photograph and/or video me or otherwise use my image, including my name, voice or both in the photographs and video recordings (“my image”). I hereby grant IMPaCT the right to reproduce, use, exhibit, post, display, broadcast and/or distribute my image on/in the following:

- IMPaCT affiliated social media accounts
- IMPaCT learning management systems
- IMPaCT marketing and promotional materials

For the purposes of promoting, publicizing, or explaining IMPaCT and its activities and/or for administrative, educational, or research purposes. Photographs, video images, and recordings are the property of IMPaCT.

Waiver/Release

I waive all copyright interest including moral rights and any rights to claim royalties, or any other form of compensation or interest arising from the IMPaCT’s use of my image.

I forever release, discharge, indemnify and defend IMPaCT from and against any and all claims and demands arising out of, or in connection with, the use of my image or recording, including but not limited to, any claims for infringement of privacy, defamation, appropriation of personality, or copyright infringement.

Withdrawal of Consent

Consent can be withdrawn at any time, when practicable. Withdrawal of consent is not retroactive, therefore the University is authorized to use your image as indicated above during the time in which consent has been provided. In the case of publication, the removal of your

personal information or intellectual property may not be achievable if consent is withdrawn after publication has taken place.
